

Athenis Finlandiae – document gets worldwide distribution

Musiikin, Kulttuurin ja Taiteen Edistämisyhdistys ry. and Kinovia TV have inked a distribution agreement concerning the document "*Latin from the Heart of Finland*". Based on the agreement, the document gets a worldwide distribution and is going to be offered for TV-channels in Russia, Poland, China, Brazil, USA, Ukraine, France, Germany, South-Korea and Turkey.

The document presents Jyväskylä and Central Finland as a culturally interesting travel destination, where classical cultures and languages meet the present in a fascinating and fresh way. The aim is to bring forward different possibilities for advancing travelling and tourism and attract travelers from different cultural backgrounds and speaking different languages to Jyväskylä.

The document can be viewed in English and Russian from
